MEMORIES MATTER AND EXPERIENCES DEFINE US

For over 30 years, Signature has been elevating life's memorable moments throughout Southern California and beyond. As more than your traditional event rental company, Signature has grown into a one-stop solution for clients and partners looking for fresh ideas, elevated service, quality rental equipment, and unique, curated experiences that are anything but expected.

With over 180,000 square feet of exclusive event rental inventory, our consultants and event experts will manage every aspect of your event rentals for a seamless, stress-free experience. We color outside the lines. Just as your signature is unique to you, every event has its own identity. Each one deserves a curated collection to tell your story and bring your vision to life.

No matter where you are in the planning process, we'll step right in with signature service, expertise and a truckload of passion. It's what we do, because we love what we do.
